FAB(*1)		Solo	[mm]	1200	1200	450 – 1300						
FAH(*1)		Solo	[mm]	1200	1200	450 – 1500						

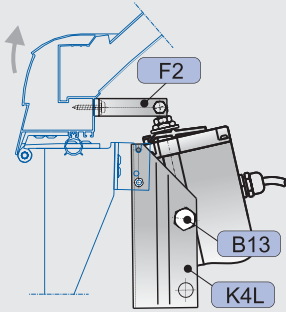

LEGEND

- suitable ■ not recommended

(*1) Sample value of the casement dimensions. The actual casement dimensions depend on the stroke and the position of the drives to the hinges. The values of FAB/FAH are to be used analogue for side hung windows.
